

A serene sunset scene over a body of water. The sun is a bright, glowing orb on the horizon, casting a long, shimmering reflection down the center of the water. The sky is a mix of soft oranges, pinks, and purples, with some light clouds. In the foreground, two sailboats are silhouetted against the water. One is larger and closer to the center, with its mast extending vertically. The other is smaller and further to the left. The overall mood is peaceful and contemplative.
